

2019 Awards For Outstanding Concrete Repair Projects

Project Awards Information and Entry Forms

GENERAL INFORMATION

- The project must either be completed after November 1, 2018 or substantially complete by October 31, 2019. The project must not have previously won an ICRI award, except for projects secondarily submitted in the Longevity Category. Entries in the Longevity Category must have been completed prior to October 31, 2009. Entries will be judged on uniqueness, use of state-of-the-art methods, use of materials, functionality, value engineering, and aesthetics.

JUDGING INFORMATION

- Entries will be judged on uniqueness, use of state-of-the-art methods, use of materials, functionality, value engineering, and aesthetics. The panel of judges is selected by the ICRI Awards Committee and consists of engineers, contractors, and manufacturers from all over North America.

PROJECT CATEGORIES

- High-Rise, Historic, Industrial, Longevity, Low-Rise, Masonry, Parking Structures, Special Projects, Transportation, Water Structures
